### Preclassical Investigation

Follow the path  
Where the Friarmonk slowly learned  
How to distress  
The untouchable Purpose of Man  
Knives are unsharp  
Of blind men using them  
Constantly armed  
In the circus of delivery

Let them show you  
How to challenge the Prudence  
In the operative mood  
Let them prove you  
How the exclamation marks  
Reveal the secrets though

Disposition to grasp  
The fake time-dimension  
Boiling in God  
And the man catches the rest  
Concealing his own universality  
That might to kill  
Every try to be  
resurrected

Categorising the steps  
Is the key  
To Virginity  
Drinking the milk  
From reviving angels  
Without to reproduce  
The Picture  
The Picture of God

Follow the path  
Where the Friermonk slowly learned  
How to protect  
The milk of a Virgin  
From not turning red
