[Daddy Free]

I was taught, never put trust in a young man  
cause if you let him live then he'll try to take a stand  
take command of the whole show  
but no it's not so, so I put him on deathrow  
I crucify my flesh daily  
cause if I don't then my flesh'll try to slay me  
a try to slay me kill the wrong guy  
wack ships so mud, objection is murder (?)  
on the third degree, and thats the word for me  
I pull the plug on his cardiac emergency  
you might think it's ill G  
but if I don't kill my flesh then my flesh'll try to kill me  
so I just kill and kill and kill and kill again  
no mercy put my flesh in the herse it's not my friend  
so if you want to lock me up I'm guilty as I present this  
It's an everyday death sentence

[Gizmo]

murder one in the morning when I wake up shake up  
I pray to break up any plan the devil will make up  
I bails at the flesh cause see the noose is fixed  
Christ is alive and my flesh is on a crucifix  
but the flesh is like a Terminator, why?  
I kill him once but he comes back like Arnold  
Schwarzenegger  
like when I thought he was back in the dust  
he tried to stab me in the back with a knife full of lust  
so I let 2 fly  
First Corinthians 6:18', Proverb 5 and 5"  
this time I'm makin sure I take him out  
as he bails to the ground I grab my sword and gouge  
his eyes out  
pull out his tongue with James 3 verse 1"  
every chapter every verse  
back in the hearse it go  
if it rise up to sin I'm gone do it again and again and  
again  
cause it's an everyday death sentence

everyday, everyday, everyday death sentence

everyday, everyday, everyday death sentence

[Daddy Free]

my spirit man is alive  
and for my spirit to live flesh has to die  
cause it'll be a straight conflict  
my spirit wants to do right, my flesh wants to trip out,  
and get out  
the grave that I paved and buried him in  
quick fast in a hurry to sin you see, my flesh is in the  
clique  
he's cornered on and hes tied up in sin devil  
wickedness  
like lust, fornication that results in the jealousy  
sorcery, idolatry, immorality  
fighting, backbiting, being mean  
like Galations 5:19'''  
and it's in, the wages of sin, equals death  
so I really have no other choice left  
I denied him, crucified him, blind side him  
tied him up and choked him up I snuffed him  
plea for mercy, I continued to hit him  
till I destroyed his deeds and everything that came with  
'em  
the next day he tried to make me sin, but no win  
cause I'm gone pray to kill him again  
went on a fast, no juice no bread  
gillotene to the head, ten seconds before he's dead  
dont trip up, I'm not a menace  
this ain't a one time thing it's an everyday death  
sentence

[Gizmo]

in jail, for murder one homicide  
you killed somebody no I killed my pride  
cause thats when the flesh homies  
you tried to make me feel like I'm the one and only like  
Sony  
yeah years did the finest on my ego  
yeah boy you've been dope since your fetal stages  
why don't you write pages and pages of dope rhymes  
and bust lyrics like gauges, rock stages  
he tried to make me arrogant like some of y'all  
but it's a set up, cause pride come before the fall  
It's a struggle, so Giz ain't givin in  
I'm dealing Monday and Tuesday but still he want to  
live again  
cry from flesh so it want recognition  
so I beat him down in humble submission  
I grab pride by the neck I and slung him  
before the Cross of Calvary I grabbed the rope and

hung him  
Christ is only lifted up, so I don't resent this event, or  
repent  
this is an everyday death sentence  
oh God I got a life time bid  
I confess I killed the flesh and oh yes I'm glad I did  
now I'm D E A D, and it's he who lives in me  
and guilty is how I plea  
and it's a everyday death sentence

everyday, everyday, everyday death sentence  
everyday, everyday, everyday death sentence
