It's goin down

[Daddy Free]

black cat saggin, got my black flaggin  
my back pocket raggin as I enter like the dragon  
far from no-show, freak hits the do'  
crawlin back street and stays low from the po-po  
even though I'm Christian, LA's twisted  
make the whole good nuz and now my 12 straight  
commission (?)  
I'm fishin for the lost men, catchin 'em and tossin 'em  
into my net and I'll just to my set (?)  
now check out the mission that was layed at my feet  
I was told "no returnin till the mission's complete"  
first look at God's Word as meat, cause you are what  
you eat  
and second of all, you must practice what you preach  
teach me the each and believe what you speak  
take the Bible, take ya brotha, and ya gangsta beat  
now it's on, we makin the Gospel grub now  
It's too late, why, it's goin down

ba ba ba da, ba da  
goin down  
ba ba ba da, ba da  
It's goin down  
ba ba ba da, ba da  
goin down  
ba ba ba da, ba the

[Gizmo]

It's goin down, may day, may day  
but people won't listen, oh thats what they say  
but they don't know, that God had a plan from the get-  
go  
into the ghetto, and gave me the vision I never let go  
so many tried to hold us back  
couldnt understand the fact of two Gs doin Gospel Rap  
tellin the youth the Truth, upon this mic that I'm checkin  
in my life Christ is first, makin records is second  
I'm a minister before artist, cause in this rap thang

the sun will be gone but the Bible stays on my lap, man  
the war is on, time to fight, hold ya sword tight  
with all your might, do whats right and shine ya light  
upon a hill, feel the thrill of Victory  
and satan can't get with me, in Jesus' name you're  
history  
so I'm gonna, steady runnin, for my crown  
you can't stop it, it's too late, it's goin down

[repeat chorus 2X]

It's goin down

[Gizmo]

please, let your mind be at ease  
as your stereo tunes in to the C dash M dash Cs  
let us take you on a ride, jump on your saddle quick  
because it's goin down like the sinkin your battle ship  
that'll get, you swingin, to what we're singin  
the music is playin, we're praisin Jesus all day and  
night  
It's only right that comes tight with the written  
Christian for steady hittin, avoided the unforbidden  
(Daddy Free):  
Christ liable lival from the time of arrival (?)  
so I paws my tribal as I pause, and go for my Bible (?)  
tuck it in my waist  
satan tried to come and steal it but I stuck it in his face  
time for the get-back, or time for the set-back  
goin church to church with the Gospel  
like apostle Paul, I can't stall  
and can't nobody stop it as I drop it, it's goin down y'all

ba ba ba da, ba da
