[Gizmo]

I gots to sow, S O to the W  
You step to me and say what you been up to  
good loc, cause no good is behind me  
once upon a time I was down on them streets  
off L.A., and lops down liz over (?)  
Jehovah, a born a Gizmo a soldier  
holdin this microphone and I'm Samoan  
And Heaven is where I'm goin  
yes, its all about Jesus  
And the two-edged sword I packs whenever bust (?)  
swiftly slicin, no one lyin and conivin (?)  
the Body of Christ (yeah) were risin up (y'all)  
we gettin tougher than tough  
the Body of Christ is the Body of God's Love  
always preachin, never stoppin  
Jesus loves you, in Hebrew that's " agape "  
I'm here to share his lovingkindness  
Cause when I was told it broke my blindness  
I praise God cause now I see clearly  
hopin that America's youth would hear me  
there is hope and God is in control  
yo Free (whats up?) tell 'em bro

[Daddy Free]

I gots to sow, a puttin nuttin to hold (?)  
strictly Gospel, I will alone, on this cold (?)  
war, when satan clogs up with the mobs  
And keeps ya blind, makin sure you'll never find  
so I'll shine, cause I'm a lyrical evangelist  
S.O.W. means Straight Out Witness  
tellin it like it is, that's what I'm called to do  
so all of you take heed of the whole truth  
yeah the truth hurts, but Hell is forever  
Heaven is also, if or, I never (?)  
change ya, arranged a, way its supposed to be  
it F R to the ee is pumpin, down for disscussion  
I'm here to reach, and give my people the somethin  
positive, cleaned, and uncompromised  
livin right for the end time  
so gear up Church, yo, we fixed to roll

(you've got the time) we gots to sow

[Chorus: Tik Tokk of the Gospel Gangstas]

dont you know we've got to sow (weve got to sow)

(dont you know you got to sow, so get up and do what  
cha gotta do-n-do-do)

cant you see its up to you and me (weve got to sow)

(we got to sow, you don't hear me though, tell me what  
chu waitin for)

Church we've got to sow

[Gizmo]

brethren, sow a seed is a must-do

Now is the time for us to bust through

the fallow grounds in the heart of man

so let the message of Christ echo in our land

(take yo stand) and never cease to preach

or reach and teach, release the peace

to each and all, heed the call, don't stall

preach it ? (yeah) hold it back ? nah

compromisin in a world that's dyin

with all this violence how can we be silent ?

(we cant) that's insane, stand ready

the laborers are few and the harvest is plenty

seed sown is God's Word bein told

I'm Saved today cause a young brotha was bold

to let me know, he gave straight out, word

this one goes out the Church, we've gots to sow

[repeat chorus]

[Gizmo]

In Jesus Name, elevate in the faith now

penetrate, demonstrate, God's Grace here

to motivate ya, now we can't make ya move

It's on you to stand up on ya own two

so won't chu think back and consider

picture the first time you were Delivered

set free, from all that bondage

no Biblical knowledge, tell me now what if

we as Christians were never told

me and my bro would still be in South Central

L.A., wasted on them streets, where would you be ?

L O S T, somewhere out there, nowhere

God knew the seeds would grow here

this is why I'm praisin my God

for sendin Christians who got the time

done, now I'm a son, you are sons and daughters

so holla cause God the Father

gave the increase the seeds that were sown

we're results of seeds that were grown and rooted  
move it, come on, step to it, just do it  
And God will see ya through it  
And not to offend, but a message I'm sendin  
to motivate my brethren, to what ?  
sow  
you've got to sow
