time to go to war man  
I put the sword on my hip when its time ta  
go to war cause I'm an evil spirit grinda  
say I'm kinda, sorta like a mockin bird  
hopin they can show me up in cuffs because I told a  
word (?)  
It's absurd on announce this is spittin at me  
And gettin at me hopin they can kidnap me  
with the darkness to pull me in sin, loc  
But that's when I let Ephesians 6:10' smoke  
I got Power from High cause I'm Born Again  
never step to a Christian, you better warn a men  
I'm risin up with Power from the first day  
puttin in work till it hurts in the worst way  
I burst stay, so hand me the Communion (?)  
plan, I'm doin a fast, I've been born to Mass  
of unclen, unseen, I'm mean  
isn't this, this is war, isn't this  
are you a soldier?  
are you a coward?  
are you a warrior  
or are you a spiritual buzzard?  
You a spiritual buzzard  
ha ha ha ha ha haaa...  
If the devil rises up and try to profit ya (profit ya)  
You just get busy on the fool like you in Bosnia (Bosnia)  
plead the Blood and he better raise up off a ya (off a  
ya)  
As a Christian we be stickin like the Mafia (Mafia)  
Ain't no break in the rank, we be makin mo gank  
In the midst of this war you won't be takin a 6  
niether will we back up, or niether will we retreat  
we're not in just knee deep, we're totally deep  
no matter what happens, I simply don't care  
Cause they got my back and I got theirs (yeah)  
It's one thing to let the single rock  
But nothin works better than comin together with our  
fingers locked  
one could put a thousand to flight, 2 put 10,000 to  
flight  
I feel the Spirit arousin a might

call prayer at midnight  
the war is on, if you're on you better get right, yeah  
You defeated in Jesus' Name  
You have no place, the Victory is ours  
we're takin our rightful stand  
In Jesus' Name  
Ephesians 6:11" says put on the whole Armour of God  
so Take Dog where you at? come on and lets tell 'em

when it comes to the devil I'm the first one to hit him up  
And he swings I'm the first one to get 'em up  
war ain't a thang for the G  
homie 4 life, its the C H R I S T  
the devil is my rival, I'm liable  
to hit my knees and go to the ghetto and start Revival  
I mean what I say and I say what I mean  
If you ain't down with Christ then you on the losin team  
it seams, some Christians wanna trip up, flip up  
But I'm on keep fightin till I give up  
In the tray, its okay  
everybody just bow their heads in a moment of silence  
as we pray  
everybody think its a gang problem, a drug problem  
But we need to pull the curtains and understand the  
fact that  
It's a demonic problem  
And the only way we can fight that  
is through spiritual warfare
