smooth, type of nigga and im always thinkin money,
get money, spendin money, that's what i do
and girl if you're into sex and diamond, guess then im
into you
see you look real good and im tryin to take it down
baby girl, i ain't tryin to be rude
But one and enough, i like you and your friend, im tryin
to go home with two
patrone in my system, magnums in my pocket, i can fit
them
pussykiller, you lookin like a victim, she lookin back at
me like nigga come and get some
lick and stick and hit them, man im like r. kelly how i
piss them
aufff don't call and text them, naw i just spoil and then
sex them
i give nicknames and then pet them, never stress me
out, cuz i won't let them
sprunged out is the way a nigga get them, everytime
they see me's like the first time i met them
you like them chace and fetch them, i grab them bag
and catch them
they don't let you fuck, but they let him, beat the pussy,
teached you a lesson
specially when pussy's being bad, it's the best pussy
that a nigga ever had
seven jeans, y.s.l bag, light brown eyes, hair done in
the back
she love who i be, cause dem other dudes wack
baby girl stacked, look at her rack, if baby was a
stripper i'd throw her a stack
call me dog, i'd be licking her cat
as long as that cat don't scratch, pussy like cookies,
imma eat that batch
lock that pussy, can't pick that latch, your friend naked,
imma trying to make you match
turn her into a lesbian, brought another girl, girl let's
begin
everybody watch, we can set a trend, open up wide girl
let me in
two girls and i made em friends, now we fucking on the
sky like alien

she said dick so good she should pay for it
so i gave it to her and said pay me there
going in deep like navymen, yours for the night girl
take me there
love the backstroke, hate to swim, but she said on top
is her favourite

im trying to knock some hoes, im feeling like a pornstar
of on this patrone
im trying to take a beautiful straight girl home, and
turn her to a LESBOO
i made her pop a pill, now baby girl it's on, them tights
and heels got me ready to bone
im trying to take a beautiful straight girl home, and
turn her to a LESBOO

yea yea yea, i got 2 girls 1 cup
2 girls 1 cup
2 girls 1 cup
2 girls 1 cup
2 girls 1 cup
2 girls 1 cup
2 girls 1 cup
2 girls 1 cup

feeling like a pimp, high as a blimp, opposite of left,
girl let's go
?? dress for easy access, lot of bad bitches, yall lookin
at the best
after party let's do some drugs, so we got nothing to
do with us
?? let's have some fun, i got 2 girls 1 cup
