Song by BarlowGirl

Once again i said my goodbyes  
To those i love most  
My heart feels that familiar pain  
As i long for hope  
Cause this road is hard  
When i feel so far

Chorus:

And God I'm crying out tonight  
Cause I've given You my life  
But im tired and im missing whats behind  
So once more here's my life

On the day that You called my name  
All that i knew changed  
I found when I said yes that I  
Would never be the same  
Though the call is hard  
You are worth it all

Chorus

And God I'm crying out tonight  
Cause i've given You my life

But I'm tired and I'm missing Whats behind  
So once more....

Even when the tears are falling  
When I find I fear the calling You  
remind me, (yeah)  
Words You've spoken over my life  
Promises I've yet to see  
You comfort me. (yeah yeah)

(you comfort me) (yeah) (you comfort me)

And God I'm crying out tonight  
Cause i've given You my life  
But I'm tired and I'm missing Whats behind

So once more....

And God I'm crying out tonight  
Cause i've given You my life  
But I'm tired and I'm missing Whats behind  
So once more....

Here's my life  
Here's my life
