Oh, what a day, all is wonderful here,
But you're the one.... so we keep on working
I can't see that trees are calling back the leaves,
...but I keep on working

Chorus:

Oh, oh, oh... I say no,
Please don't go, oh, oh
It's a little bit crazy with me!
Oh, oh, oh... I say no,
Please don't go, oh, oh
It's a little bit crazy with me!
But I'm here, with you!
And I share everything with you,
Cause it's nothing you can't change,
Everything remains the same,

Oh, what a day,... get easy today,
But you're the one and me,
So we keep on working!
I can't feel it the... why it's...
It's.... but I keep on going!

Chorus:

Oh, oh, oh... I say no
Please don't go, oh, oh
It's a little bit crazy with me!
Oh, oh, oh...I say no,
Please don't go, oh, oh
It's a little bit crazy with me!
But I'm here, with you!
And I share everything with you,
Cause it's nothing you can't change,
Everything remains the same!

Don't say no, please don't go,
My heart is beating of,
For you and for me, so don't say no, please don't go!
Please don't go,
My heart is beating of, for me and for you!
So please don't go, please don't go!

My heart is beating of,
For you and for me, so don't say please don't go!

Chorus:

Oh, oh, oh... I say no
Please don't go, oh, oh
It's a little bit crazy with me!
Oh, oh, oh...I say no,
Please don't go, oh, oh
It's a little bit crazy with me!
But I'm here, with you!
And I share everything with you,
Cause it's nothing you can't change,
Everything remains the same!
Cause it's nothing you can't change,
Everything remains the same
..with me!
