If I lost the best thing  
I ever had  
Because of me  
I was selfish, stupid and blind  
How can it be  
That it's so ending  
Now we can stop pretending  
It just faded so fast I think  
I lost you

If you were the best thing  
I ever had  
To blind to see  
We were happy,  
How can I find some peace in me  
Cause we're both changing  
It's now that we've stop caring  
It's just time that has made me grow  
Apart from you

Cause it's over, it's all over,  
it's all over, it's over  
it's over, it's all over, it's over now

If we loose the best thing  
We ever had  
If we forget  
Just hold me here in your arms  
Like we just met  
We will be tender  
and say that we'll for ever  
And just hope it will last because  
i found you

It's now that we've stop fighting  
it's now that it's not hard just to stand hand in hand  
And always love you  
Because I love you
