You'll never say it's true  
You want it all for you  
Inside you know you do  
And I've been locked inside  
But help me (to) understand  
You say you want my hand  
You wanted to be friends  
But now I understand

You only wanted my dreams  
But now I understand  
You only wanted my dreams  
For yourself... for yourself

You told me how to pray  
You said that I won't play  
You wanted me to stay  
And I'm still blind to see  
How you are playing with my fears  
But you create my tears  
But only I have to use  
It's now I understand

You only wanted my dreams  
But now I understand  
You only wanted my dreams

If somehow, I should dive  
Will you have a wonder why?  
I am real but you can't feel  
All that you arise and kill  
I will fly away from here  
All you took will disappear  
Was it my dream?

You said you want my land  
And I cannot pretend  
It's time for me to stay  
You're hard as it can't be  
I'm ready now to see  
I'm going to be free

'Cause now I understand

You only wanted my dreams  
But now I understand  
You only wanted my dreams

You said you want my hand  
But I cannot pretend  
It's time for me to stay  
You're hard as it can't be  
I'm ready now to see  
I'm going to be free
