I'm trying to control myself
So please don't stand in my way
I've waited for the longest time
This is what I wanted in my way
Move over, move over
There's a climax coming coming in my way 2x

I don't like you, don't compromise
Shattered by your weakness
Shattered by your smile

And I'm not very fond of you, and your lies
Shattered by your weakness
Shattered by your smile

All the kids are going back to school
the summer's over it's the golden rule
And I'm coming out to play
So please don't stand in my way

And all the things that seemed once to be
So important to me
Seem so trivial now that I can see
move over, move over
There's a climax coming in my way 2x

Chorus
Please don't stand in my way
