Oh, Julie  
ah, ah, ah  
Oh, Julie  
ah, ah, ah

Oh-uh-oh-uh-oh Julie  
You'll never know how I love yo-ou-ou  
Oh-uh-oh-uh-oh Julie  
A teenage dream that can't come true

I see-ee you Julie  
Each day as you walk by-y-y  
But maybe some day, Julie  
I'll be the apple of your eye

Although you're older than me, it makes no difference,  
you see  
As you are my shining sta-ar  
You've heard of passion for love and jealousy, my dove  
Well, that's the way I feel about you

I nee-eed you, Julie  
You'll never know how my heart yea-ea-earns  
Oh, please, please help me  
My love just burns and burns

But some day, Julie  
When I'm as old as yo-ou-ou  
I'll take you, Julie  
And make my dreams come true

But some day, Julie  
When I'm as old as yo-ou-ou  
I'll take you, Julie  
And make my dreams come true
