In a candy shop around the corner
Met a little girl, she's a goner
I looked at her, she looked at me
I stole a kiss and oo-oo-wee
My heart started beating (chop, chop, chop, chop)
Lips kept repeating (gum drop, gum drop)
Claim'd she looked so fine
Makes me know she's mine
gum drop gum drop

Oh, oh, oh, oh, oh gum drop, gum drop
Oh, oh, oh, oh, oh gum drop, gum drop
So good so good, down to the last drop

She's my sugar and spice
(Gum drop, gum drop)
Everything nice
(Gum drop, gum drop)
She's my peaches and cream
(Gum drop, gum drop)
Candy man's dream
(Gum drop, gum drop)
She puts me on a cloud
Makes me holler out loud
(Gum drop, gum drop)
