Fuck You, Dear.

You don't know who I am
You don't know what I have been through
To tell you how I feel
You never listen to me
You're never talking to me
You only drive me nuts

Suddenly when I realize that
Our hands will never been intertwined

I will be fine without you
You will regret what you have lost
My heart is dying without you
My blood is fool of alcohol

Fuck you, Dear

Fuck you, Dear

Fuck you, Dear

Oh, oh, oh.....

You always tried to change me
You never liked me as I am
But now it's all too late
You've got to listen to me
I have some stuff to tell you here
Or could whisper in you ear

Suddenly when I realize that
Our hands will never been intertwined

I will be fine without you
You will regret what you have lost
My heart is dying without you
My blood is fool of alcohol

Fuck you, Dear

Fuck you, Dear

Fuck you, Dear

Oh, oh, oh.....

You donâ€™t know who I am
You donâ€™t know what I do
You donâ€™t anything at all x2

I will be fine without you
You will regret what you have lost
My heart is dying without you
My blood is fool of alcohol

Fuck you, Dear

Fuck you, Dear

Fuck you, Dear

Oh, oh, oh.....

The END.
