"I am the new way to go"
"I am the way of the future"
"I am the new way to go"
"I am the way of the future"
"There's a lot innocent people being crucified"

you things things things of the flesh do it slow
down avenues fuck me lust my eyes
licking lips encouraging mr. careworn
to gaze upon a screen bask on after the flesh
we'll infect your carnal mind after the flesh
I walked through forests with ugly spirits
kissed their feet and found them calm calm calm
still I don't have any money money money
my body suffers after the flesh

"I am the way of the future"
"They blew his brains out at gunpoint"
"I am the new way to go"
"I am the way of the future"
"Get in and fasten your seatbelt,"

We'll infect your carnal mind, mind, mind, mind
We'll infect your carnal mind, mind, mind, mind
We'll infect your carnal mind, mind, mind, mind
We'll infect your carnal mind, mind, mind, mind

After the Flesh

I walked through forests with ugly spirits
Kissed their feet, and found them calm, calm, calm
Still I don't have any money, money, money
My body suffers after the flesh

"I am the new way to go"
"I am the way of the future"
