Performed by The Cure)

"Don't look don't look" the shadows breathe

Whispering me away from you

"Don't wake at night to watch her sleep

You know that you will always lose

This trembling

Adored

Tousled bird mad girl... "

But every night I burn

But every night I call your name

Every night I burn

Every night I fall again

"Oh don't talk of love" the shadows purr

Murmuring me away from you

"Don't talk of worlds that never were

The end is all that's ever true

There's nothing you can ever say

Nothing you can ever do... "

Still every night I burn

Every night I scream your name

Every night I burn

Every night the dream's the same  
Every night I burn  
Waiting for my only friend  
Every night I burn  
Waiting for the world to end  
"Just paint your face" the shadows smile  
Slipping me away from you  
"Oh it doesn't matter how you hide  
Find you if we're wanting to  
So slide back down and close your eyes  
Sleep a while  
You must be tired... "  
But every night I burn  
Every night I call your name  
Every night I burn  
Every night I fall again  
Every night I burn  
Scream the animal scream  
Every night I burn  
Dream the crow black dream  
Dream the crow black dream
