

The Crow Soundtrack

"Machines Of Loving Grace"

Visit "[Machines Of Loving Grace](#)" on MotoLyrics.com

Performed by Golgotha Tenement)

I am city

I am the park

I am glow in the motherfucking dark

I am shocked and I seethe

I don't want to believe no more

No more

No more

Golgotha tenement

city of sores

Give me your tired and your wicked

Give me your dollar whores

Down on the boulevard children are sold

To pave the way

For your streets of gold

Streets of gold
