Uhh,
Hit them with a lil' ghetto gospel

[Chorus - Elton John:]
Those who wish to follow me (My ghetto gospel)
I welcome with my hands
And the red sun sinks at last into the hills of gold
And peace to this young warrior without the sound of
guns

[Tupac]
If I could recollect before my hood dayz
I'd sit and reminisce, thinking and bliss on the good
dayz
I stop and stare at the younger, my heart goes to 'em
They tested, it was stressed that they under
In our days things changed
Everyone's ashamed to the youth 'cause the truth looks
strange
And for me it's reversed, we left them a world that's
cursed, and it hurts
'Cause any day they'll push the button
And all condemned like Malcolm X and Bobby Hunton
died for nothing
Don't them let me get teary, the world looks dreary
But when you wipe your eyes, see it clearly
There's no need for you to fear me
If you take the time to hear me, maybe you can learn to
cheer me
It ain't about black or white, 'cause we're human
I hope we see the light before it's ruined
My ghetto gospel

[Chorus - Elton John]

[Tupac]
Tell me do you see that old lady, ain't it sad?
Living out a bag, but she's glad for the little things she
has
And over there there's a lady, crack got her crazy
Guess she's given birth to a baby

I don't trip and let it fade me, from outta the frying pan
We jump into another form of slavery
Even now I keep discouraged
Wonder if they take it all back will I still keep the
courage?
I refuse to be a role model
I set goals, take control, drink out my own bottle
I make mistakes, I learn from everyone
And when it's said and done
I bet this brother be a better one
If I upset you, don't stress
Never forget, that God hasn't finished with me yet
I feel his hand on my brain
When I write rhymes, I go blind, and let the Lord do his
thing
But am I less holy?
'Cause I choose to puff a blunt and drink a beer with my
homies
Before we find world peace
We gotta find peace in that war on the streets
My ghetto gospel

[Chorus - Elton John]

[Tupac]

Lord can you hear me speak!
To pay the price of being Hell bound...
