Waterfall  
The Din Pedals  
(I Know What You Did Last Summer)

Time and time against the wind  
I think, I feel  
With all your worthy peculiar friends  
With time to kill

Now all your reasons  
Pushed, pulled, side tracked  
And your mouth  
These words start to gasp  
And in your head  
Feelings corked up and bottled  
You want to be adored

[Chorus:]  
You might be  
You might fall  
You'll be a waterfall  
You might be  
You might fall  
Waterfall

Mixed and confused  
Like a convict on the loose  
I think, I feel  
Well it's inevitable, it's inevitable  
I think I feel it too

Now all your reasons  
Pushed, pulled, side tracked  
And your mouth  
These words start to gasp  
And in your head  
Feelings corked up and bottled  
You want to be adored

[Chorus]

Don't back down
