Cape Cairo track runs through the continent
But is incomplete

Pride of Africa is going through the heart of Africa
Pride of Africa, the track of South East Africa
I don't care about the Blue Train, here's from Africa,
with love
Pride of Africa, I'm traveling through the heart of Africa

Oh, oh, oh, with the pride of Africa
Oh, oh, oh, in the heart of Africa
I see many different places, from Cape Town to Dar Es
Salaam
Tanzania, Zambia, Zimbabwe and South Africa

Cape Town to Kimberley and Warrenton, and Bulawayo
Up to Kapiri Mposhi, in the north, that's how the main
track goes
And after that, there's another line
Built by the Chinese, the Tazara track

Pride of Africa is going through the heart of Africa
Pride of Africa, the track of South East Africa
I don't care about the Blue Train, here's from Africa,
with love
Pride of Africa, I'm traveling through the heart of Africa

Oh, oh, oh, with the pride of Africa
Oh, oh, oh, in the heart of Africa
I see many different places, from Cape Town to Dar Es
Salaam
Tanzania, Zambia, Zimbabwe and South Africa

Falling water
I want to feel it touch my skin
So warm at Victoria
Under the falls between Zimbabwe and Zambia

Africa
Africa

Pride of Africa

Heart of Africa

Pride of Africa, the track of South East Africa
I don't care about the Blue Train
Here's from Africa, with love
Pride of Africa, I'm traveling through the heart of Africa

Oh, oh, oh, with the pride of Africa
Oh, oh, oh, in the heart of Africa

Oh, oh, oh, with the pride of Africa
Oh, oh, oh, in the heart of Africa
I see many different places, from Cape Town to Dar Es
Salaam
Tanzania, Zambia, Zimbabwe and South Africa

Nothing seems to change but the time
Such a beautiful ride
