While we wait,  
Our lives beauty will fade.  
These pedestals, they hurt when we fall.  
We are bound to fall...

So what's your back lag?  
You cause a, a backlash.  
My love, she gets stabbed.  
We run, we never look back.

A penny for your thoughts.  
Well, if you say so...  
Did I get that right? You say you save my life?  
There's not much to life...

So what's your back lag?  
You cause a, a backlash.  
My love, she gets stabbed.  
We run, we never look back.

So what's your back lag?  
You cause a, a backlash.  
My love, she gets stabbed.  
We run, we never look back.

a-watch a-watch,  
a-watch a-watch,  
a-watch a-watch,  
Watch your back! Watch your back!  
a-watch a-watch,  
a-watch a-watch,  
a-watch a-watch,  
You'll get stabbed! You'll get stabbed!

Did i get that right?  
You say you save my life?  
Did i get that right?  
You say you save my life?  
Did i get that right?  
You say you save my life?  
My life, my life... ohhh.

Take my breathe away!  
Woahh woahhh.  
Take my breathe away, woahhhh.

Please take my breathe,  
Please take my breathe,  
Please take my breathe,  
Not her life...  
Please take my breathe,  
Please take my breathe,  
Please take my breathe,  
Not her life...
