You are the sky, the moon at night  
You are my life, a shining light  
These things I've learned are never ending  
Stories we will tell

You don't know what a song you sing  
You don't know how much joy you bring

You are my Angel, Angel,  
Asleep inside your Halo, Halo,  
I'm right beside you  
And you know, you know how much you're loved,  
I know you, forever you'll be my (Angel)

Since you believed in me, you turned my life into a  
dream  
I never could have known how much your heart would  
lift me up

You don't know what a song you sing  
You don't know how much joy you bring

You are my Angel, Angel,  
Asleep inside your halo, halo,  
I'm right beside you  
And you know, you know how much you're loved,  
I know you forever you'll be my (Angel)

You arrived to me right on time  
And you don't have to worry  
I'll be your way home 'cuz you are mine

When your cold and you're lonely  
Together we'll be alright

You know, you know how much you're loved,

Angel, Angel,  
Asleep inside your halo, halo  
I'm right beside you  
And you know, you know how much you're loved,

I know you, forever you'll be my (Angel)

Forever you'll be my (Angel)

Forever you'll be my (Angel)

Forever you'll be my (Angel)
