I've Got A Feelin' You're Foolin'

The Dorsey Brothers Orchestra

I've got a feelin' you're foolin'

I've got a feelin' you're havin' fun

I'll get a goby when you are done

Foolin' with me.

I've got a feelin' you're foolin'

I've got a notion it's make believe

I think you're laughin'right up your sleeve

Foolin' with me.

Life is worth living while you are giving

Moments of paradise.

You're such a stand out, but how you hand out

That hocus pocus from your eyes.

I've got a feelin' you're foolin'

I've got a feelin' it's all a frame

It's just the well known army game

Foolin' with You
