What A Diff'rence A Day Made  
The Dorsey Brothers Orchestra

What a difference a day made,  
Twenty four little hours,  
Brought the sun and the flowers,  
where there used to be rain.  
My yesterday was blue dear,  
Today Im part of you dear,  
My lonely nights are through dear,  
Since you said you were mine.  
What a difference a day made,  
Theres a rainbow before me,  
Skies above cant be stormy  
Since that moment of bliss;  
That thrilling kiss.  
Its heaven when you  
Find romance on menu,  
What a difference a day made,  
And the difference is you.
