well i never thought that i could hate anybody as much
as i hate you
you used to be my friend till you ran off with my lover
now you've got off with somebody new
if we ever were to meet in the street i wouldn't have a
lot to say
but every night before i go to sleep i get down on my
knees and pray
and this is what i say

i hope you die young i hope you die in pain
i hope you die alone in the pouring rain
i hope you die cold and empty inside they send you to
hell on the other side
i hope you die young i hope you die in pain
i hope you die alone and half insane
and i hope that i'm still alive
so i can dance and sing and piss all over your grave

well i've got a little doll i gave it your name
i stick pins in it just to cause you pain
this morning i crushed its head in a vice
you've turned me into someone thats not very nice
remember when i cooked you beef curry for tea?
well i hope it was infected with vse
coz nothing would give more pleasure to me
than to watch you slowly die from cjd!

i hope you die young i hope you die in pain
i hope you die alone in the pouring rain
i hope you die cold and empty inside they send you to
hell on the other side
i hope you die young i hope you die in pain
i hope you die alone and half insane
and i hope that i'm still alive
so i can dance and sing and piss all over your grave

i hope you die young i hope you die in pain
i hope you die alone in the pouring rain
i hope you die cold and empty inside they send you to
hell on the other side

i hope you die young i hope you die in pain
i hope you die alone and half insane
and i hope that i'm still alive
so i can dance and sing and piss all over your grave

and i hope that i'm still alive
so i can dance and sing and piss all over your grave
and i hope that i'm still alive
so i can dance and sing and piss all over your grave
