theres something bout that boy thats strange to see  
he doesn't look like you he doesn't look like me  
i've been meaning to tell ya please don't go wild  
theres a possibility that he's not your child  
coz

i made love to your father love to your brother  
once or twice i slept with your mother  
there has to be a father it could be you  
or half of the creatures down the local zoo

you wear tartan pyjamas an socks in bed  
couldn't be more for him if you were dead  
if i mention sex all you do is frown  
thats why i sometimes have to sleep around

i made love to your father love to your brother  
once or twice i slept with your mother  
there has to be a father it could be you  
or half of the creatures down the local zoo  
yer

got green scaly skin and a pair of horns  
i knew that there was something wrong as soon as he  
was born  
i've been racking my brain trying to think of a father  
whos a cross between a goat and a iguana

i made love to your father love to your brother  
once or twice i slept with your mother  
there has to be a father it could be you  
or half of the creatures down the local zoo

i made love to your father love to your brother  
once or twice i slept with your mother  
there has to be a father it could be you  
or half of the creatures down the local zoo

half of the creatures down the local zoo  
half of the creatures down the local zoo
