Allow me to re-introduce myself  
{I got a surprise for ya'll}  
It's the American Dream from the A..  
I'm with my big homie Kellz

Well, shawty listen. It's the remix  
No other than, your boyfriend, Kellz  
And we roll up to the club like "aye"  
And we all up in the club like "aye"  
Tell security to move the ropes back  
Let the chicks in, we in the VIP poppin' bottles.  
Man I'm off that patron, clownin and carryin on  
I'm so drunk that ugly girls look like supermodels  
However I'm in the building, and I'm ballin how a baller  
do  
So many honeys in the building, ya'll know I'm playin it  
like a player do  
I walk up to one girl, and she's got her friend with her  
Peppin to a real... baby ima go getta  
The girl I meet got a nice booty; otha girl's is much  
bigga  
Ask me how I do em both, I'm kellz...go figure  
Ooh (hey)  
Then go to Kellz on the remix  
Ooh (hey)  
And haters wanna hate cuz I'm the S\*!+  
I'm the s\*\*\*, Kellz is the sh\*\*, I'm the sh\*\*  
And shawty is the s\*\*\*, She's the s\*\*\*, together we the  
sh\*\*, we the sh\*\* (oh oh)

(You must be the American Dream)  
I got to show my respect so Kelly had to go first (I)  
I'ma put my shawty to bed after this verse (I)  
Flam's poppins all up in the phantom  
I'm all up her hair like dandruff  
Shawty so cool, booty so cute  
Shawty is the ish, so I is too.  
So you can call yo man and tell em that you ain't  
coming back  
I got pockets full of stacks, she staying where she at  
Ish happens when you don't treat your girl right

Put it on the "aye" all it takes is a night  
Now she 'round here doing everything I like, I like  
If shawty keep it real with you, you should tip her, you  
should tip her  
But if she gone all night and got more money than you,  
umm, she just might be a stipper

It was Keishia, from the "Chi"  
Tonya, from the "A"  
Sonya, from "Huston"  
Monique from the "Bay"  
Neci from "Seattle"  
KiKi to New York  
Now when I see you on 23 all I can say...

[Hook:]  
You know we had to do a remix... mix  
Kelly and Dream, you already know  
"Shawty is a hit, a hit" [x4]

Shawty is the... shawty is the... let me leave my  
girlfriend quick [x3]  
(It's the remix) make me leave my girlfriend quick [x2]  
(It's the remix) It's Kellz and Dream

[Hook]
