Like a baby tastin' ice cream for the very first time
Like the first jump from an airplane in a free fall dive
Like a roller coaster barely stickin' to the track
Now that you've been in my arms, there ain't no turning
back

I know how you feel
And I'll never be the same
Don't wanna be
In less than love this way

Couldn't go without your kissin'
'Cause I'd know what I was missin'
And nothin' else will never be this real
Baby, now that I know how you feel

It's the moment when I knew that love was much more
than a word
So much sweeter than the sweetest song I've ever
heard
It's the answer to the question I've been askin' all my
life
And now you're tellin' me, your heart was made for
mine

I know how you feel
And I'll never be the same
Don't wanna be
In less than love this way

Couldn't go without your kissin'
'Cause I'd know what I was missin'
And nothin' else will never be this real
Baby, now that I know how you feel

I know how you feel
And I'll never be the same
Don't wanna be
In less than love this way

Couldn't go without your kissin'
'Cause I'd know what I was missin'

And nothin' else could never be this real
Baby, now that I know how you feel

And I'll never be the same
Don't wanna be
In less than love this way

Couldn't go without your kissin'
'Cause I'd know what I was missin'
And nothin' else could never be this real
Baby, now that I know how you feel
