We've done the 'Porch swing love'  
So long can't remember my name  
Back and forth, nice and slow  
Till we get real close and you still want to wait

I'm not sayin' that it's been a big waste of time  
It's been great, been a lot of fun  
But I'm about to go off like a loaded gun

All I want is a pumped up jacked up  
Screamin' like a Mustang kick me in my gut thing  
Unleashed passion, fingernail scratchin'  
Goin' right into a lot of stuff I can't name  
And what I want is completely untamed, yeah

Now you don't have to second guess this thing or try to  
figure it out  
It doesn't matter how or where or when or why it's  
gonna happen by itself  
How you ever gonna know unless you give it a try  
I dare you to just let it go, I bet you turn into a wild  
animal

All I want is a pumped up jacked up  
Screamin' like a Mustang kick me in my gut thing  
Unleashed passion, fingernail scratchin'  
Goin' right into a lot of stuff I can't name  
What I want is completely untamed, yeah oh

Well the fire cracker ain't what I like  
It's gotta blow like dynamite

'Cause all I want is a pumped up jacked up  
Screamin' like a Mustang kick me in my gut thing  
Unleashed passion, fingernail scratchin'  
Goin' right into a lot of stuff I can't name  
What I want is completely untamed, no no
