Is there any way to get home? Is there any way to get home
before I die on the road to rome,
oh I want to go home.

Don't you leave me behind? Don't you leave me behind,
our plotlines have gotten too intertwined,
don't leave me behind,
don't leave me behind.

Is there anyway to go back? Is there anyway to go back
before I stop stone dead in my tracks,
oh I want to go back.

Is there any way to rewind? Is there any way to rewind,
erase the trace of cruel mankind,
oh I want to rewind,
I want to rewind.

(oooh, oooh)
The road to rome is hard to take,
but think of where we are
and think of all the time it took
to drag your weary heart

First I broke, then I paid, first I sinned, then I prayed
and saw the error in my ways
'Oh repent the next day!'

Can I turn a blind eye? Can I turn a blind eye
before I close this heart of mine,
oh I'll turn a blind eye,
and shutter my mind.

(oooh, oooh)
We're waiting on the other side,
come join the grey-clad choirs.
Draw out your frozen bones tonight
and warm them by the fire

The road to rome is hard to take,

but think of where we are
and think of all the time it took
to drag your weary heart
