You come into this country
You cant get real jobs
Boats, and boats, and boats of you
Go home you fuckin slobs
Sellin hot dogs on the corner
Sellin papers in the street
Pushing, pulling, digging, sweating
Where you come from must be beat

You dont know what I want
You dont know what I need
Why must I repeat myself,
Can't you fuckin read?
Nice fuckin accent
Why can't you speak like me?
What's that dot on your head,
Do you use it to see?

You always make us wait
You are the ones we hate
You can't communicate
SPEAK ENGLISH OR DIE!!!!

You always make us wait
You are the ones we hate
You can't communicate
So SPEAK ENGLISH OR DIE!!!!

SPEEEEEEEEEAAAAAAAK EEENGLIIIISH OOOOOR
DIIIIIIIEEEEEEEEE!!!!!!!
