You're all alone.  
The walls come closing in.  
And life just seems too hard.  
You've lost your way.  
You start to come undone.  
Know, i'm here.  
And you're not the only one.

Cause we're all in need of something.  
It helps to get through.  
But here; i'll offer something from me to you.

As time moves on,  
Quicker by the pase,  
Friends move on.  
A fimiliar face.  
But i won't be the one to  
But i'll stay right here till i am the only one.

Cause we're all in need of something.  
It helps to get through.  
And here; i'll offer something from me to you.

Yeah, it's the secret of my life.  
Take it with you wherever you go.  
It's the secret of my life.  
I just wanted you to know;

that i will lean on my pride.  
Come outside so i can't hide.  
Find my way.  
You've made a difference in me.  
I know that you can't see.  
So this is my way to show you.

It's the secret of my life.  
Take it with you wherever you go.  
It's the secret of my life.  
I just wanted you to know.

Please remember me.
