How does it feel babe to taste sweet revenge?  
Do you want me on my knees?  
How does it feel babe to let me feel your strenght?  
Don't be cruel, can't you see..

[Bridge]

If you don't catch me now, I can't stop falling down.  
Just one more night and the devil got my soul.  
I need your love babe, don't tell me no way!  
Oh, I miss you, so much more than words can say

How does it feel babe to kill our destiny?  
I swear I'm not gonna crawl, oh no.  
How does it feel babe to make a fool out of me?  
How can you be so cold, be so cold?

[Bridge 2]

If you don't catch me now, I can't stop falling down.  
Just one more night and the devil got my soul.  
I need your love babe, don't treat me this way!  
Uh, I miss you, I miss you..

[chorus]

Baby our love's got what it takes,  
to give us one more chance to start, once again.  
Baby our love will find a way,  
as long as we believe in love.

[Bridge3]

If you don't catch me now, I can't stop falling down.  
Just one more night and the devil got my soul.  
I need your love babe, don't leave me this way!  
Oh, I miss you, I miss you..

[chorus]

Baby our love got what it takes,  
to give us one more chance to start, once again.  
Baby our love will find a way,  
as long as we believe in love.

as long as we believe (we believe)...

Baby our love got what it takes,  
to give us one more chance to start, once again.  
Baby our love will find a way,  
as long as we believe in love. [x2]
