You're like a brother, just like no other  
You keep the torch, that eternal flame  
We bought the ticket, that one-way ticket  
The hottest seat on the crazy train

It takes power to walk in our shoes (in our shoes)  
It takes power to walk on

We walk the borderline  
Crossing those ice-cold waters  
We jump into the fire  
Riding the wildest storm

We rock the planet, up to the zenith  
Feel that adrenalin overload  
Can't stop the fever, that road fever  
It's in my blood, in every single bone

It takes power to walk in our shoes (in our shoes)  
It takes power to walk on

We walk the borderline  
Crossing those ice-cold waters  
We jump into the fire  
Riding the wildest storm

We walk the borderline  
Doing it now or never  
We walk into the light  
Bringing this baby home

Another day around the corner  
There is sunshine after rain  
This journey is going on forever (forever)  
Home is where my heart is  
And I'm always on my way  
I don't look back now  
We don't look back now

It takes power to walk on

We walk the borderline  
Crossing those ice-cold waters  
We jump into the fire  
Riding the wildest storm

We walk the borderline  
Doing it now or never  
We walk into the light  
Bringing this baby home

We walk the borderline  
Crossing those ice-cold waters  
We jump into the fire  
Riding the wildest storm

We walk the borderline  
Doing it now or never  
We walk into the light  
Bringing this baby home
