I'm just an ordinary man  
I wasn't born to be a soldier in a foreign land  
Now I'm a prisoner of war  
I don't know what I'm fighting for  
You tore me from my simple life  
To die hear naked

That was so cold  
Cold  
Just like the lies that you told  
Cold  
Nothing but ice in your soul  
Cold  
The side of you nobody knows  
Cold  
And everyone loves you

Too young too innocent to know  
How far your master plan would go  
You crucify the name of God  
Is nothing sacred

Damn you're so cold  
Cold  
Just like the lies that you told  
Cold  
Nothing but ice in your soul  
Cold  
The side of you nobody knows  
Cold  
And everyone loves you

Damn you're so cold  
Cold  
Just like the lies that you told  
Cold  
Nothing but ice in your soul  
Cold  
The side of you nobody knows  
Cold  
And everyone loves you

So Cold  
Cold  
Just like the lies that you told  
Cold  
Nothing but ice in your soul  
Cold  
The side of you nobody knows  
Cold
