Every morning when I wake up yawning  
I'm still far away  
Trucks still rolling through the early morning  
To the place we play

Boy you're home, you're dreaming, don't you know  
The tour's still far away  
Boy you're home, you're dreaming, don't you know  
You're having just a break

Dream we're going out on stage, it feels like  
Coming home again  
Dream we're going out on stage, it feels like  
Coming home again  
Dream we're going out on stage, it feels like

Year after year, out on the road  
It's great to be here, to see you all  
I know, for me it is like  
Coming home

Day after day, out on the road  
There's no place too far, that we wouldn't go  
We go wherever you like  
To Rock'n Roll !

Jump on the seats, put your hands in the air  
Give me a shout, let me hear you're out there  
The wilder you scream for some more rock'n roll  
The higher we'll go

Year after year, out on the road  
It's great to be here, to rock you all  
I know, for me it is like  
Coming home  
I know, for me it is like  
Coming home  
Coming home  
Like coming home...  
Coming home  
Like coming home!

Coming home!  
Like coming home!  
Coming home!  
Like coming home!  
Coming home!...
