(Rudolf Schenker, Klaus Meine, Herman Rarebell, Jim Vallance)

I get up in the morning
For my dose of the news
Crawl right back in the sack girl
Had enough of the truth
Spend your dollars and rubels
Buy a piece of the wall
Build it up in your backyard
I'm so sick of it all

Ooh, it's a crazy world
Ooh, it's a crazy world

Drivin' down to the city
Doin' 155
Better late than never
I'm more dead than alive
We can find the Titanic
Put a man on the moon
But we can't fix out backyard
Man we better start soon

Ooh, it's a crazy world
Ooh, it's a crazy world
Ooh, it's a crazy world
Ooh, it's a crazy world

I don't want to hear about it
I wish it would be worlds away
You know the more I think about it
The more I feel we need to change
I get up (In a crazy, crazy world)
We all live (In a crazy, crazy world)
Ooh yeah (It's a crazy, crazy world)
I gotta get out (Of this crazy, crazy world)

Goin' home to my baby
It's been another hard day
Bust my balls for the tax man
So what else can I say

They spent our money on missiles
For the third world war
Now they're stacked in my backyard
We don't need them no more

Ooh, it's a crazy world
Ooh, it's a crazy world
Ooh, it's a crazy world
Ooh, it's a crazy world
