"Far Away"

(Rudolf Schenker, Michael Schenker, Klaus Meine)

Take your hand and you take my hand

Let's try to learn to fly

Here what I say, here what I say

Dream and close your eyes

Too much hate

Too much hate

So many things are wrong

So many ways, so many ways

Flying through the sky forever

into another time

Yesterday so far away

Many miles together

Were looking for a way

Day by day

So far away

All the world

To do the same

So we go together

Will you show me the way

Time has gone

It has gone

Far away, far away

And today

I'll see a way

Follow me we love you

Just listen, what I say

Forget your name and yesterday

Put out your hand

I'll do the same

Now were going to another land

Will you show me the way

Time has gone

It has gone far away
Far away
