Heroes don't cry
Heroes don't cry

Standing here in front of you
A wave of joy and sadness fills the room
Your soul has crashed into a wall
Your world just broke to pieces after all

The days of your life
Leave the world standing outside
But you find the strength for a smile
Because heroes like you wouldn't cry

Heroes don't cry
Heroes don't cry

The judge decided it's your right
To wake up from the dream of your life
The curtain is about to fall
No need for words, your eyes just say it all

The days of your life
Leave the world standing outside
You find the strength for a smile
Because heroes like you wouldn't cry

Heroes don't cry

There are days of your life
Leave the world standing outside
You find the strength for a smile
Because heroes like you wouldn't cry

Heroes don't cry

I can't forget that afternoon

So many times I've been thinking of you
I'm happy that you've decided to live
And what touches me most is what you said
Heaven can wait, can wait, can wait...

WHITE DOVE

Music: Presser, Adamis, Rudolf Schenker

Lyrics: Klaus Meine

(4:18)

A place without a name
Under a burning sky
There's no milk and honey here
In the land of God
Someone holds a sign
It says we are human, too
And while the sun goes down
The world goes by

White dove
Fly with the wind
Take our hope under your wings
For the world to know
That hope will not die
Where the children cry

Waves, big like a house
They're stranded on a piece of wood
To leave it all behind
To start again
But instead of a new life
All they find is a door that's closed
And they keep looking for
A place called home

White dove
Fly with the wind
Take our hope under your wings
For the world to know
That hope will not die
Where the children cry

Na-na-na-na-na-na
Na-na-na-na-na-na-na-na
Na-na-na-na-na-na
Na-na-na-na-na

Can anyone tell me why (can anyone tell me why)
The children of the world (children of the world)
Have to pay the price (pay the price)

And now you're telling me
You've seen it all before
I know that's right but still

It breaks my heart
Well, the golden lamb we've sent
Makes us feel better now
But you know it's just a drop
In a sea of tears

White dove
Fly with the wind
Take our hope under your wings
For the world to know
That hope will not die
Where the children cry

White dove
Fly with the wind
Take our hope under your wings
For the world to know
That hope will not die
Where the children cry

Na-na-na-na-na-na
Na-na-na-na-na-na-na-na
Na-na-na-na-na-na
Na-na-na-na-na
