Well here comes my baby  
She's dressed oh so cute  
She looks a little crazy  
In her Hollywood shoes  
Well baby loves driving  
In my hot brand new car  
She thinks less than flying  
Is not fast enough

But when you turn upside down  
Life ain't too much fun  
I wanted to cry  
But the tears wouldn't come

Well here comes my baby (here comes my baby)  
She's the one I adore (she's the one I adore)  
she's a lucky lady (she's a lucky lady)  
Born in a Gucci store  
With gold cards in motion (gold cards in motion)  
And the platinum too (and the platinum too)  
She jets across the ocean (jets across the ocean)  
A little faster than you

But when it rains in St. Barth  
Life ain't too much fun  
I wanted to cry  
But the tears wouldn't come  
I wanted to cry  
But the tears wouldn't come

Every night without you  
I miss to have you by my side (I miss to have you by my side)  
Ohh, so I keep waiting, I keep waiting  
I swear I never let you go again

solo

Well here comes my baby (here comes my baby)  
With a Brad Pitt lookalike  
Right through immigration (right through immigration)

And straight out of my life

Well it seems the friendly skies  
Are pretty good fun  
I wanted to cry  
But the tears wouldn't come

I wanted to cry  
I wanted to cry  
I wanted to cry  
But the tears wouldn't come
