Do you say a prayer  
when your feeling down  
Do you believe that love  
can turn your faith around  
You're feeling high and low,  
but you don't know what to think  
The world is full of saints  
who live their lives in sin

Don't ask the mirror ball  
you better ask yourself  
I think you know the answers  
but maybe you can't tell  
You'll see it all so clear  
just take a look inside  
The judge you build inside your heart  
will always be your guide

Kami o shin jiru  
Kami o shin jiru

Another day goes by  
and so does your life  
You try to make some sense  
before your time to die  
If you feel humility  
for something that is true  
You'll find the secrets of this life  
deep inside of you

Kami o shin jiru  
Kami o shin jiru  
Kami o shin jiru

The innocent won't feel  
the judgement day

Kami o shin jiru  
Kami o shin jiru  
Kami o shin jiru

The innocent won't feel  
the judgement day  
Kami o shin jiru  
Kami o shin jiru  
Kami o shin jiru

The innocent won't feel  
the judgement day
