Ready to go on? Here's a song for you.
It ain't performed anywhere else before
We've been few times here in Leningrad
But you know, this is a live recording tonight
Alright, so let me hear you Leningrad!
Alright, to give you an idea what this song is all about
A try, a try to make more friends in your life, alright?
Here we go...

I'm still living for tomorrow
I'm living for today!

Let's make this world a better place to live
Stop today, stop the kill
Love's can be bold to get it done
To stop the pain of a killin' gun

And even if you say we're gonna die today

I'm still living for tomorrow
I'm living for today
'Cause love will find a way my friend
Whatever, it will change

I'm still living for tomorrow
I'm living for today
Why don't we try today my friend
to make this world a better place?

Let's make this life a better life to live
Stop the hate, learn to forgive!
Even power can kill the human brase
If we give life a human face
A human face..

And even if you say we're gonna die today

I'm still living for tomorrow
I'm living for today
'Cause love will find a way my friend
Whatever, it will change

I'm still living for tomorrow
I'm living for today
Why don't we try today my friend
to make this world a better place?
A better place..

And even if you say we're gonna die today

I'm still living for tomorrow
I'm living for today
'Cause love will find a way my friend
Whatever, it will change

I'm still living for tomorrow
I'm living for today
Why don't we try today my friend
to make this world a better place?

Come on Leningrad!
