Since you're gone there is an empty space  
Since you're gone the world is not the same

I go back to the places we've been  
Feels like you're still there  
I live all those moments again  
Wishing you were here

Since you're gone there is a lonely heart  
Since you're gone nothing is like it was

There are memories all over the place  
Bringing it back all so clear  
Remember all of those days  
Wishing you were here

All those lonely nights, lonely nights, lonely nights  
I got to fight for you, yes I do  
Lonely nights, lonely nights, lonely nights  
I got to fight for you, yes I do  
Yes, I do

Since you're gone there is a heart that bleed  
Since you're gone I'm not the man I used to be

I follow your steps in the snow  
Traces disappear  
We know what we've lost when it's gone  
I'm wishing you were here

All those lonely nights, lonely nights, lonely nights  
I got to fight for you, yes I do  
Lonely nights, lonely nights, lonely nights  
I got to fight for you, yes I do  
Yes, I do

I go back to the places we've been  
Feels like you're still there  
I live all those moments again  
Wishing you were here

All those lonely nights, lonely nights, lonely nights...
