Title : Maybe I maybe you

Maybe I maybe You
Can make a change to the world
we're reaching out for a soul
That's kind of lost in the dark

Maybe I maybe you
can find the key to the stars
to catch the spirit of hope
to save one hopeless heart

Chorus
You look up to the sky
With all your questions in mind
All you need is to hear
the voice of your heart
in a world full of pain
someone's calling your name
why don't we make it true
maybe I maybe you (x3)

Maybe I Maybe you
Are just dreaming sometimes
But the world would be could
without dreamers like you
maybe I maybe you
Are just soldiers of love
born to carry the flame
bringing light to the dark

Chorus(bis)
You look up to the sky
with all those questions in mind
All you need is to hear
the voice of your heart
in a world full of pain
someone's calling your name
why don't we make it true
maybe I maybe you (x3)
