

## Scorpions, The "Moment Of Glory"

A moment of glory called evolution  
Could I see the world with the eyes of a child  
A new beginning, a moment of freedom  
Like angels are singing a song full of joy  
This side of Heaven  
Belongs to the children  
I will be there when the future arrives

A moment of glory called evolution  
Could I fly away like a bird in the sky  
No limitation, a new inspiration  
A world that is free just as free as my mind

Communication  
A new destination  
The planet of visions is calling tonight

Another thousand years seem so long  
I'm just a passenger  
And the ride has just begun

(Voices of children)

Moment of glory  
Moment of glory (moment of glory, of glory)  
A moment of glory called evolution  
Could I see the world with the eyes of a child  
A new beginning, (a new beginning)  
A moment of freedom, (moment of freedom)  
Like angels are singing (angels are singing)  
A song full of joy

This side of Heaven  
Belongs to the children  
I will be there when the future arrives

Moment of glory  
Moment of glory (moment of glory)  
Moment of glory  
Moment of glory (moment of glory, of glory)

A moment of glory called evolution  
Could I see the world with the eyes of a child  
A new beginning, a moment of freedom  
Like angels are singing a song full of joy
