(Matthias Jabs, Herman Rarebell)  
You know nothing about loving  
You lost somewhere down the line  
You know nothing about giving  
You should draw the line

You keep looking out for something  
Something you're never gonna find  
When will, will you show your feelings  
You will lose your mind

Who's to blame my love  
You play a dangerous game  
Who's to blame my love  
All you want is money and fame

You play, play with emotions  
You need, need a stepping stone  
You're out, out for sensations  
Don't you, don't you feel alone

Who's to blame my love  
You play a dangerous game  
Who's to blame my love  
All you want is money and fame

Who's to blame my love  
You play a dangerous game  
Who's to blame my love  
All you want is money and fame

Money and fame  
Money and fame  
Money and fame  
Money and fame  
Money and fame  
Money and fame  
Money and fame
