

## Scorpions, The "Only A Man"

Visit "[Only A Man](#)" on [MotoLyrics.com](https://MotoLyrics.com)

(Rudolf Schenker, Klaus Meine, Herman Rarebell)

Well you know it is hard  
Being a long time apart  
But it's you that I love, don't you see

And when I go away  
You say, please stay okay  
I want you to stay only with me

Well you know it is hard  
All these girls are so smart  
And they see me all over the place

Well they phone me at night  
Ask me out for a bite  
I can see all the lust in their face

All these chicks really know  
That next day I will go  
And they will never see me again

So when I'm back home  
And we both are alone  
I can feel all you love and your pain

Woman, I'm only a man  
Do the best that I can as you know  
Woman, I'm only a man  
Do the best that I can as you know  
Now you know how I feel  
Nothing is real

Well it's hard to say no  
When you've done a good show  
And they all want you to celebrate

Well I try to refuse  
Try to make some excuse  
But at this point it's mostly too late

Yeah, I start feeling good

And I get in the mood  
I guess, you'll know what I mean

These chicks all around  
It's so hard to keep count  
It's like a schizophrenic dream

Woman, I'm only a man  
Do the best that I can as you know  
Woman, I'm only a man  
Do the best that I can as you know  
Now you know how I feel  
Nothing is real

Well you know it is hard  
Being a long time apart  
But it's you that I love, don't you see

And when I go away  
You say, please stay okay  
I want you to stay only with me

Well you know it is hard  
All these girls are so smart  
And they see me all over the place

Well they phone me at night  
Ask me out for a bite  
I can see all the lust in their face

Woman, I'm only a man  
Do the best that I can as you know  
Woman, I'm only a man  
Do the best that I can as you know  
Now you know how I feel  
Nothing is real

Woman, I'm only a man  
Do the best that I can as you know  
Woman, I'm only a man  
Do the best that I can as you know  
Now you know how I feel  
Nothing is real
