Down in the city, where the girls look pretty
Some just like a miracle
They're so attractive, so hyperactive
But they're cool and they talk cynical
Give me a chance, I don't want romance
Don't be so serious, oh no
Let's get some action some real satisfaction
You're so mysterious, I can't wait any longer
Tonight's the night
I want you to show me baby
Tonight's the night
Now is the time, the time to go over the top
You're running me down
And don't you ever stop messing around
(Over the top)
You're running me down
And don't you ever stop messing around
Move around, around, around
Down in the city where the girls are pretty
Some just like a miracle
Ooh, I'm on the road
Get out of control, I'm losing my mind
It's time to get wild
Tonight's the night
I want you to show me baby
Tonight's the night
Now is the time, the time to go over the top
You're running me down
And don't you ever stop messing around
(Over the top)
You're running me down
And don't you ever stop messing around
(Over the top)
You're running me down
And don't you ever stop messing around
(Over the top)
Keep running me down
And don't you ever stop messing around
Move around, around, around
Tonight's the night
I want you to show me baby

Tonight's the night
Now is the time, the time to go over the top
You're running me down
And don't you ever stop messing around
(Over the top)
Keep running me down
And don't you ever stop messing around
(Over the top)
Keep running me down
And don't you ever stop messing around
(Over the top)
Keep running me down
And don't you ever stop messing around
Move around, around, around
