(Rudolf Schenker, Klaus Meine, Mark Hudson)

I'm an alleycat with only seven lives
I'm the trouble scratching at your door
When the moon is bright and shining high
I'm getting loose just like the night before
One for the money, two for the show
You can't resist it on a night like this
I'm the answer baby and you know
Tonight you're mine, forget the guy you're with

Baby I don't care
If I have to crawl an extra mile
'cause you can take me everywhere
And you're the one I really need tonight

Someone to touch
I need a girl like you
Someone to touch
That somebody could be you

Don't try to tell me that your daddy's mean
You think your mama wouldn't let me in
Come on 'n step inside my dream machine
Don't fight it honey you just can't win

'cause baby I don't care
If I have to crawl an extra mile
'cause you can take me everywhere
And you're the one I really need tonight

Someone to touch
I need a girl like you
Someone to touch
That somebody could be you
Someone to touch
I need a girl like you
Someone to touch
C'mon baby, I think it's you
