(Rudolf Schenker, Klaus Meine)  
We'd like to introduce tonight  
The kings of a brand new style  
They're hungry to play  
We'd like to introduce tonight  
The new heavy steamrock style  
They're ready to play

All right, how do you feel tonight  
Get out to see them write  
The name of their band  
(Steamrock band, steamrock band)  
Steam bright, work has a beat tonight  
Get out to see them fry  
And they will begin  
Here they are

Steamrock fever thrilling rock believers  
Steamrock fever in L.A.

All right, how do you feel tonight
